

# NEIGHBORHOOD BOO

The air is cool, the season fall  
Soon Halloween will come to all  
The spooks are after things to do  
In fact, a spook brought this to you

“Boo” is a shield from witching hour  
Just hang it up and watch its power  
On your front door is where it works  
It wards off spooks and scary jerks

The treats that came with crypted note,  
Are yours to keep enjoy them both  
The power comes from friends like you  
Who will copy this and make it two

Then others here along our street  
Will say howdy-do to all they meet  
We’ll all have smiles upon our face  
No one will know who “Booed” whose place

Just one short day to work your spell  
Or a big zap will strike your tail  
And don’t forget a nifty treat  
Like something neat or something sweet

Please join the fun  
Lets really hear it  
And spread some “Boos”  
And Halloween spirit!

## DIRECTIONS

1. Enjoy your treats.
2. Place your “boo” sign on your front door.
3. Copy your “boo” sign and this note and take two treats and two “boos” and secretly deliver to two neighbors who do not have a “boo” on their front door.
4. Then watch how far this spreads by Halloween!
